1. The Complainant

The Complainant is a statutory body formed in April 1957 by the Government of India, under the Act of Parliament, 'Khadi and Village Industries Commission Act of 1956. The

Complainant is the apex organization established under the Ministry of Micro, Small and Medium Enterprises ("MSME") formed with a wider objective of creating self-reliance amongst people and building up a strong rural community spirit. Complainant has been carrying on work related to implementation of programs for the development of Khadi and other Village Industries ("KVI") in the rural areas in coordination with other agencies. The programs offered by the Complainant are to promote products under the trademark KHADI. The Complaint is based on the trademark PRAKRITIK PAINT and its variations, used in connection with goods being eco-friendly paints offered by the Complainant and its authorized members. The complainant has filed various trademark applications for the wordmark KHADI PRAKRITIK PAINT, device marks, etc. The Complainant announced the launch of its products under the PRAKRITIK PAINT trademarks on 12th January 2021.
